

In re Appln. of McPherson et al.  
Application No. Unassigned

*REMARKS*

*The Present Invention and Pending Claims*

Claims 32-41 are pending and directed to an animal litter and method of removing animal waste comprising the use of the animal litter. Full support for the newly added claims can be found in the specification as filed, and in one or more parent applications, which applications have been incorporated by reference into the specification of the parent application.

*Conclusion*

The application is considered to be in proper form for allowance.

Respectfully submitted,

Rachel J. Potempa, Reg. No. 53,477
